Comments: THE NYS Dept of Transportation meeting for the
reducing the use of local streets by the interstate
traffic was well done. I do agree with the changes
that ^{are} proposed.

However the Department of Transportation did not have
answers for my questions about the Health WELLNESS
OF THE NEIGHBORHOOD LIVING NEAR THE PEACE BRIDGE

I WENT TO THE MEETING TO FIND OUT HOW THE
POLLUTION FROM THE BRIDGE WAS GOING TO BE STOPPED
OR IMPROVED. NO ONE AT THE MEETING HAD A
ANSWER TO THIS QUESTION

AN OTHER QUESTION WAS - HOW IS THE NEW
LARGER DUTY FREE STORE GOING TO EFFECT THE
HEALTH WELLNESS OF THE BRIDGE NEIGHBORHOOD

DUE TO THE LACK OF ANSWERS FOR MY QUESTIONS,
I BELIEVE THERE IS SEGMENTATION OF THIS PROJECT AND
A LACK OF UNDERSTANDING OF THE CONCERNS OF THE
NEIGHBORS OF THE PEACE BRIDGE

Sincerely yours,

David Ruby 7/8/13
