Yes! We Want a Healthier Western New York!

Share your message with new contacts and support a great cause.

Clean Air: Organizing for Health and Justice is working hard to make our region a healthier place to live, work, and play. Our advocacy, education, and research has brought Participatory Budgeting to Buffalo for the first time ever; helped ensure a stronger economy in Tonawanda; has led to major reductions in toxic pollutants; and been recognized nationally as a model for smart, effective grassroots organizing.

Learn more about Clean Air! Visit cacwny.org or find us on Facebook!

Our Annual Dinner to celebrate this good work is Wednesday, May 24 at the Hotel Lafayette.

*Clean Air is looking for **sponsors** to showcase themselves as partners in the fight for a healthier and more just region. Will you join the celebration?*
